Summary

Front-End (responsive) Web Developer, Designer:
JS: Angular.js, jQuery
Git: https://github.com/lafdesign
Css: Sass with Compass
Design: Illustrator, Photoshop, Sketch, SVG animations

Experience

Freelance Designer and Developer

WeVue
February 2015 – Present (3 months)
Working closely with the CEO, I built the site www.wevue.com to launch their new product, with a custom angular-app handling form-data and full analytics- tracking

Product Designer

Startup Institute
Summer 2014
Immersive 8-week program that helps individuals develop the mindset and skills necessary to successfully launch into startup careers.

Associate

The Metropolitan Museum of Art
January 2014 – June 2014 (6 months)
I worked with Membership facilitating special requests made by Museum members, sponsors, donors, patrons, Trustees, as well as curatorial and administrative staff and corporate partners.

Education

University of Vermont

Bachelor of Arts (B.A.), Philosophy
2006 – 2010
President- Class of 2010, Voting member of Alumni Council -2010
- *Community Activism Award*

Volunteer

Global Children

Volunteer
Global Children is a non-profit dedicated to providing educational opportunities to orphans in Cambodia: http://www.global-children.org/
